

Pindan Tours - Day Tours

Frequently Asked Questions

1. Can we be picked up from our accommodation?

Yes, we can pick you up and return you to your accommodation or we can arrange to meet you at a nominated place.

2. What will we see along the way?

We can show you the beauty and ruggedness of the magnificent Flinders Ranges from the comfort of our 4WD. You will see the Flinders Ranges, flora, fauna, geology, wildlife and we will explain the railway and pastoral history (which your guide has direct links to) to you as we go along. You'll have fantastic photographic opportunities and we visit some places other tour operators don't go in to.

3. Where do the tours go?

Our 4WD Tours go either on 4WD Tracks on private properties or on the geological trail in the Flinders Ranges National Park. We stop at several lookouts and access vantage points that offer spectacular scenic photo opportunities and excellent views. We have a 4WD Tour to suit your personnel needs or can modify these tours to suit your personal interests, if required.

4. What do the tours cost?

Our ½ day tour of 4 hrs is \$180 per person and includes Morning or Afternoon tea and 4WD Track fee. Our ¾ day tour of 5-6 hrs is \$220 per person and includes Brunch and 4WD Track fee. Our full day tour of 8-9 hrs is \$260 per person and includes the Jeff Morgan Gallery fees, Morning tea & Lunch. There are also children's rates.

5. Do we go to Wilpena Pound?

No, we don't go into Wilpena Pound because there is no vehicle access into the Pound itself. We circumnavigate Wilpena Pound via Bunyeroo Valley, a 330km round trip. However, information for walking trails into Wilpena Pound can be obtained from the Wilpena Resort. We do visit the Wilpena Panorama in the J.M. Gallery in Hawker which has two huge panoramic paintings, one of which gives you the view you would get if you had climbed to the top of St Mary's Peak.

6. How many people on each tour?

Our vehicle takes a maximum of 4 passengers, in air conditioned comfort. We need a minimum of 2 people per tour.

7. Are any meals included?

Yes, Morning tea is included on the ½ day tours, Brunch is included on the ¾ day tour and our full day tour we provide Morning tea and a picnic Lunch in the rugged Central Flinders Ranges.

8. Are there any toilets?

Yes. There are flushing toilet stops at Hawker and Wilkatana Station and long drop toilets throughout the National Park and on the private properties.

9. Is there any walking involved?

Yes. There is a short walk (optional) to a significant fossil marker that most people will never see. We also get out of the vehicle for several photographic stops along the way and will also show you different and unique geological points of interest (POI's), ancient fossils, a fault line and plants, etc.

10. What to bring with us?

A hat, sunscreen, camera, and a good sense of adventure and fun!
